

The Salary Transparency Report was created through Law 14,611, of July 3rd, 2023, which provides for salary equality between men and women.

This report utilizes research data and information on the occupations of men and women already provided by the company through e-Social, along with additional information obtained through a questionnaire on remuneration criteria, hiring practices, and initiatives supporting the advancement of women within companies.

All this information was consolidated in a report from the Ministry of Labor and Employment (MTE) and made available for companies to disclose.

Below is the Salary Transparency Report from the company **Minebea AccessSolutions** - Guarulhos site, which shows that we are covered by the legal provisions as determined by the legislation mentioned above.
